

### Words of Praise

For the several ingredients of which Dr. Pierce's medicines are composed, as given by leaders in all the several schools of medicine, should have far more weight than any amount of non-professional testimonials. Dr. Pierce's Favorite Prescription has THE BADGE OF HONESTY on every bottle-wrapper, in a full list of all its ingredients printed in plain English.

If you are an invalid woman and suffer from frequent headache, backache, gnawing distress in stomach, periodical pains, disagreeable, catarrhal, pelvic, drain, dragging down distress in lower abdomen or pelvis, perhaps dark spots or specks dancing before the eyes, faint spells and kindred symptoms caused by female weakness, or other derangement of the feminine organs, you can not do better than take Dr. Pierce's Favorite Prescription.

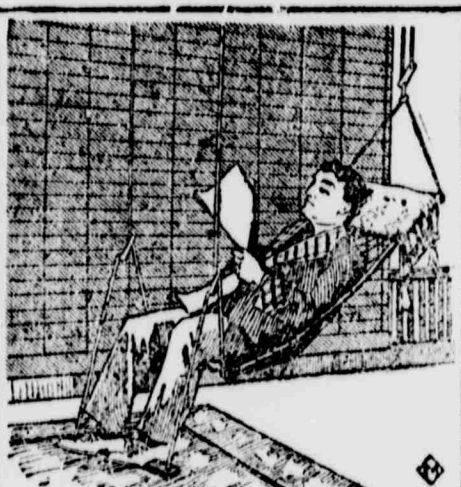

The hospital, surgeon's knife and operating table may be avoided by the timely use of "Favorite Prescription" in such cases. Thereby the obnoxious examinations and local treatments of the family physician can be avoided and a thorough course of successful treatment carried out in the privacy of the home. "Favorite Prescription" is composed of the very best native medicinal roots known to medical science for the cure of woman's peculiar ailments, contains no alcohol and no harmful or habit-forming drugs.

Do not expect too much from "Favorite Prescription"; it will not perform miracles; it will not dissolve or cure tumors. No medicine will. It will do as much to establish vigorous health in most weaknesses and ailments peculiarly incident to women as any medicine can. It must be given a fair chance by perseverance in its use for a reasonable length of time.

You can't afford to accept a secret nostrum as a substitute for this remedy of known composition.

Sick women are invited to consult Dr. Pierce, by letter, free. All correspondence is guarded as sacredly secret, and womanly confidences are protected by professional privacy. Address Dr. R. V. Pierce, Buffalo, N. Y.

Dr. Pierce's Pleasant Pellets the best laxative and regulator of the bowels. They invigorate stomach, liver and bowels. One a laxative; two or three a cathartic. Easy to take as candy.

### SEABREEZE

A number of tourists were nicely  
entertained as guests on a hunting  
expedition last week. The glam-  
our of the jungle holds a wary spell,  
and enthusiastic sportsmen enjoy  
the exciting chase for the fleet-  
footed animals. At last accounts  
of the hunt several squirrels were  
killed, nineteen forming a course at  
one meal in camp. A wounded  
deer called the dogs away; so many  
at least were taught the musical  
lore of blowing the horn. The  
party is expected home today.

A dance was given at the Clar-  
endon last week, being the formal  
opening of the Casino.  
Mrs. Hart, a late resident of the  
beach, is confined to her room with  
a complication of diseases.

Dr. D. D. Beekman, who has  
been quite seriously ill, is improv-  
ing and it is hoped will be at his  
regular post of duty shortly.

Mr. and Mrs. W. R. Swift left  
last week for Cuba, where they will  
remain indefinitely. Mr. Swift is  
an author and prominent news-  
paper man, and will probably find  
much material of interest.

Miss Bingham, of Indiana, is the  
popular guest of Miss Sonntag. L.  
Mr. W. L. Sonntag is mingling  
among his friends again, after  
several days illness.

Mrs. Adams and daughter, of  
Sandwich, Ill., and Mrs. Waite, of  
Hensdale, Ill., friends of Mr. and  
Mrs. Gage, are guests at the New  
Seaside Inn.

The Cherokee began her usual  
outings down the river last week,  
going to New Smyrna. About  
seventy-five were aboard. A few  
who were aboard were: Mr. and Mrs.  
Gage, Illinois; Mrs. H. L. Madison,  
daughter Mabyn and son, Master  
Henry C., Kentucky; Mr. and Mrs.  
Grove, Pennsylvania; Mrs. Reese,  
Mrs. Vignon, Mr. Cherry, Miss Ma-  
loy, Mr. and Mrs. McFarland, Mrs.  
Kurrus and daughter and sister.

Several attempts at professional  
burglary have been made lately,  
some money taken. A few tran-  
cients of suspicious character have  
been routed.

Mrs. Pilberry and son, Master  
Pilberry, arrived last week and are  
guests for the season.

Misses Violet Middleton, France  
Sparber, Ruby and Pearl Wilson  
will be the guests of Mrs. Braddock  
at a picnic Saturday. Much pleas-  
ure is anticipated.

Mrs. H. Bernard has a suite of  
rooms at the Mallory cottage dur-  
ing the winter.

Mr. Lannon and daughter, of  
Columbus, Ohio, are the distin-  
guished guests of Dr. E. L. Potter.  
Mr. Lannon is a prominent banker  
of Columbus.

Mr. and Mrs. D. N. Lawson and  
daughter, Miss Cary, and Mrs. J. W.  
Goodrum, of Bowling Green, Ky.,  
are pleasant arrivals in the city.

**MIND YOUR BUSINESS.**  
If you don't nobody will. It is your  
business to keep out of all the trouble  
you can and you can and will keep out  
of liver and bowel trouble if you take  
Dr. King's New Life Pills. They keep  
biliousness, malaria and jaundice out of  
your system. 25c. at all druggists.

An active slipper makes an obedient  
child.

There is an epidemic of petit thieving  
in DeLand just at present. Most of the  
degradations appear to be the stealing  
of bicycles. Six of eight wheels have  
been stolen during the past week. This  
is caused, possibly, by the recent change  
in sheriffs. So far Sheriff Smith has had  
no opportunity to cause the thief to fear  
him. A load of buckshot would do  
some good, if properly applied. Every-  
one should aid the sheriff in bringing  
one or more of these thieves to justice,  
which would do more to stop stealing  
than any other thing that could happen.

**HOW IS YOUR DIGESTION**  
Mrs. Mary Dowling, of No. 228 8th  
Ave., San Francisco, recommends a  
remedy for stomach trouble. She says:  
"Gratitude for the wonderful effect of  
Electric Bitters in a case of acute indig-  
estion, prompts this testimonial. I  
am fully convinced that for stomach  
and liver troubles Electric Bitters is the  
best remedy on the market today." This  
great tonic and alterative medicine  
invigorates the system, purifies the  
blood and is especially helpful in all  
forms of female weakness. 50c. at all  
druggists.
